RE: Permit PERMIT NUMBER
COUNTY County, ROUTE

Dear OWNER CONTACT:

A recent inspection of ROUTE in COUNTY County indicated that the sign for permit PERMIT NUMBER is unlawful due to disrepair. Below is a photograph of the sign for your reference. 7 CSR 10-6.080(2)(E) defines an unlawful sign as:

► Signs that are not in good repair, that is signs with poles, frames, braces, panels or facings which are broken or damaged or not securely affixed to a substantial structure or which are faded, blistered, cracked, peeled, chipped, or torn to the extent the total message is not discernable by a motorist.

Permit PERMIT NUMBER is nonconforming. Enclosed please find a brochure regarding the maintenance and repair on nonconforming signs. Reasonable maintenance and repair of nonconforming signs is permissible; however, permit holders should contact me at PHONE NUMBER prior to making any changes to the structure.
